Join the Vacation Club

Have you started planning for your 2015 vacation? You might've realized that things can get pretty costly, so we're inviting you to join the Member Preferred FCU Vacation Club. Use this special savings account to help you prepare for your well-deserved vacation. The funds are available for your use at anytime, but are limited to two withdrawals per year.

Is Your Information Up to Date?

Life moves fast, and sometimes, it's hard to keep up with all of the changes. That's why we'd like to remind you to review your account card information. If there are any changes, particularly changes to your beneficiaries, please contact us so that we can help you make updates.

Simple Tips for Online Security

You've probably seen a lot in the news recently about data breaches and cyber hacks on large retailers. In this day and age, there's a lot of information that you keep online, and while it can sometimes seem like a risk, there are actually a number of simple ways to make sure that you don't let your personal information fall into the wrong hands:

Create a good password

Experts say that a good password can actually prevent most cyber attacks. And changing your password regularly and keeping a variety for different services can only help even more.

Update your software

It can be annoying to get software updates from your phone or computer so often, but they are important. Many software updates help address security patches in your devices.

Dispose of important documents appropriately

Financial statements, mail with personal information or any forms that you fill out should all be disposed of in such a way that no one can find and use the information.

Protecting yourself and your loved ones from a data breach doesn't have to be difficult or scary. Just follow easy tips like these for online peace of mind!

Tax Season is Coming to an End!
Don't forget to file your return by April 15th.
