The Member Difference

When you join Member Preferred Credit Union, you become one of the owners in this not-for-profit cooperative. That means there are no outside stockholders who must be paid from the earnings. *Any profits go to you, the member/owner, in the form of better rates on savings and loans as well as better services and lower fees overall.*

Thank you from all of us at Member Preferred

From all of us at the Credit Union, thank you for your continued support and participation. We could not exist without you! Our sincere wishes for a happy 2018 to you and yours!
